

Millennium Collaborative Care looking to partner with WNY regional educational institutions

 Millennium Collaborative Care PPS (Millennium) is a partnership of healthcare providers and community based organizations committed to improving the delivery and quality of care across the eight counties of WNY

 Delivery System Reform Incentive Payment (DSRIP) Program

DSRIP is a federally funded initiative designed to restructure and improve the Medicaid healthcare system. Millennium represents approximately 400 healthcare agencies under this reform program

How can educational institutions affect healthcare workforce change?

 The Millennium Training Strategy Subcommittee is making connections with area educational institutions in order to encourage and promote training programs that address healthcare workforce shortages and redeployments in Millennium partner facilities

 How can you get involved?

- Meet with Millennium Training Strategy subcommittee reps to discuss healthcare workforce resource alignment
- Provide and promote trainings that support DSRIP initiatives and objectives
- Attend DSRIP Training Strategy summits
- Sit on the Millennium Training Strategy subcommittee
